

BARBOS

PIZZA

Each pizza is handcrafted and baked in our Italian, wood-fired oven, kept at a piping hot 700 degrees. Our special recipe is slowly proofed over 24 hours and yields a stronger, less doughy crust than the Neapolitan pies you may be familiar with. Our Northern Italian pies can properly hold a variety of gourmet ingredients while still bragging a crisp, thin crust.

The Bridlewood Bar & Grill boasts the best pizza around because of Daniele Barbos, Pizzaiolo and Executive Chef Danny hails from the Piedmont Region of Northern Italy. When asked about his style of pizza, he can't help but grin and say:

PIZZA WAS INVENTED IN NAPLES, AND THEN WE PERFECTED IT IN THE NORTH

We are proud to say our ingredients are fresh. Our meats are smoked in-house, and we use homemade mozzarella, pizza dough, meatballs, and scratch sauces daily.
